Hi, I'm Alia. This unit is all about the thing I'm very interested in. Yes, you've guessed it ... it's all about 1. . You can 2. it on things you like, you can 3. it in the bank and you can 4. other people with it. People say you're 5. if you have lots of it, and they say you're 6. if you have none of it. Some people say they're happy with it, while others say that they're much 7. without it. Whatever you think about it, one thing is for sure – money is an 8. part of our lives. That's why in this unit we're going to look at many topics about money. What do you think about money?
