Jungles

Jungles are **cold** / **hot**, and wet places. They are very **green** / **black** because it **never** / **often** rains there. A lot of fantastic flowers, plants and **animals** / **pets** live in jungles. There are large **rivers** / **streets** in lots of jungles. Be careful, because sometimes you can find dangerous **crocodiles** / **whales** in some of them.

Many people who live in a jungle have their homes next to a river or a waterfall because they need to drink its **soup** / **water**. People often travel up or down the river by **boat** / **motorbike**. Rivers are like roads in a jungle.
