Robert the Robot
by Jake Simmons

Last week I went to the Robot Store. I picked out a cook robot. I named him Robert. Getting Robert is the smartest thing I've ever done. He is great! I showed him how to make my bed. He picks up my stuff from the floor. Next, I am going to teach him how to take out the trash. Robert is the best friend a kid could have!

1. **Circle** the author's name.
2. **Circle** the words that tell what Robert can do.
go to the store make my bed
3. **Circle** the words that tell what Robert will learn next.
take out the trash pick up stuff
4. **Underline** the sentence that tells where Robert came from.
5. **Write** a sentence that tells why you think the author wrote this story.
