

AT THE AIRPORT

1

This is the place at the airport where you have to show your passport to the immigration officer.

2

Here you collect your luggage after you arrive at your destination.

3

If you are flying a long journey, probably you will have to take more than one flight.

4

The airport is a public place. Therefore, anybody can use this facility.

If you are at the airport waiting for someone, you will probably be looking at the board.

5

The area where all passengers belongings are sent.

6

If you are at the airport waiting for your flight, you will probably be looking at the board.

7

Here you can see if your luggage is on the weight limit and get your boarding pass.
