

Sentence order

Instruction (for teachers): Cut these sentences into slips. Put the students into groups of 4 or 5 people. Then, give each group a set of the slips. Ask them to put the slips in order. Students will use the letters on the side to put in order.

b) The first time I met my best friend, Anna, was in 2007 when her family moved into the house next to us.

j) On the day I first met her, I knew we would be friends because we were almost the same age.

k) I still remember clearly the first time when I saw her.

a) On that day, I was playing around alone at the front yard while Anna was watering the plants in front of her house.

f) I wanted to go and talk with her, but I was shy.

d) Suddenly, Anna came to me and said hi while I was skipping a rope.

c) I was very surprised, and then we started the conversation which was about school and our favorite things.

i) After the conversation, we found out that i) we had the same interests, so we could be best friends

g) From that day on, Anna and I became best friend, so we met each other almost every day

e) I felt very happy and excited when I stayed with her because she was a very kind and funny person.

h) Although we are busy now, I still see each other as much as possible and call each other every week.
