Hello Rory,

I haven't heard from you for ages. What have you been up to? I have some news... I just finished my skysurfing course! I know, it's crazy, right? Well, Dylan informed me about this course, and it sounded really interesting. He said that it was the most enjoyable activity he had ever tried, and I totally agree.

The course was only for three weeks. Not very long, right? The fee isn't a lot either, I paid only \$155. What's more, you don't have to bring anything with you, they have the equipment and everything you need there. The best part is that you don't need any experience. That worked well for me because I had never been on a plane before in my life! The instructors were very good and really experienced. They made me feel safe from the start. At the end of the course, you get a DVD of yourself skysurfing!

Anyway, if you want to attend the course too, let me know. If you sign up, I know you'll have a great time!

Yours,
Victor
