

Under the Mistletoe (Justin Bieber)

It's the most beautiful time of the year
Lights fill the streets spreading so much
I should be playing in the winter snow
But I'mma be under the mistletoe

face

I don't want to miss out on the holiday
But I can't stop staring at your
I should be playing in the winter
but imma be under the mistletoe

know

cheer

With you, shawty with you
With you, shawty with you
With you under the mistletoe

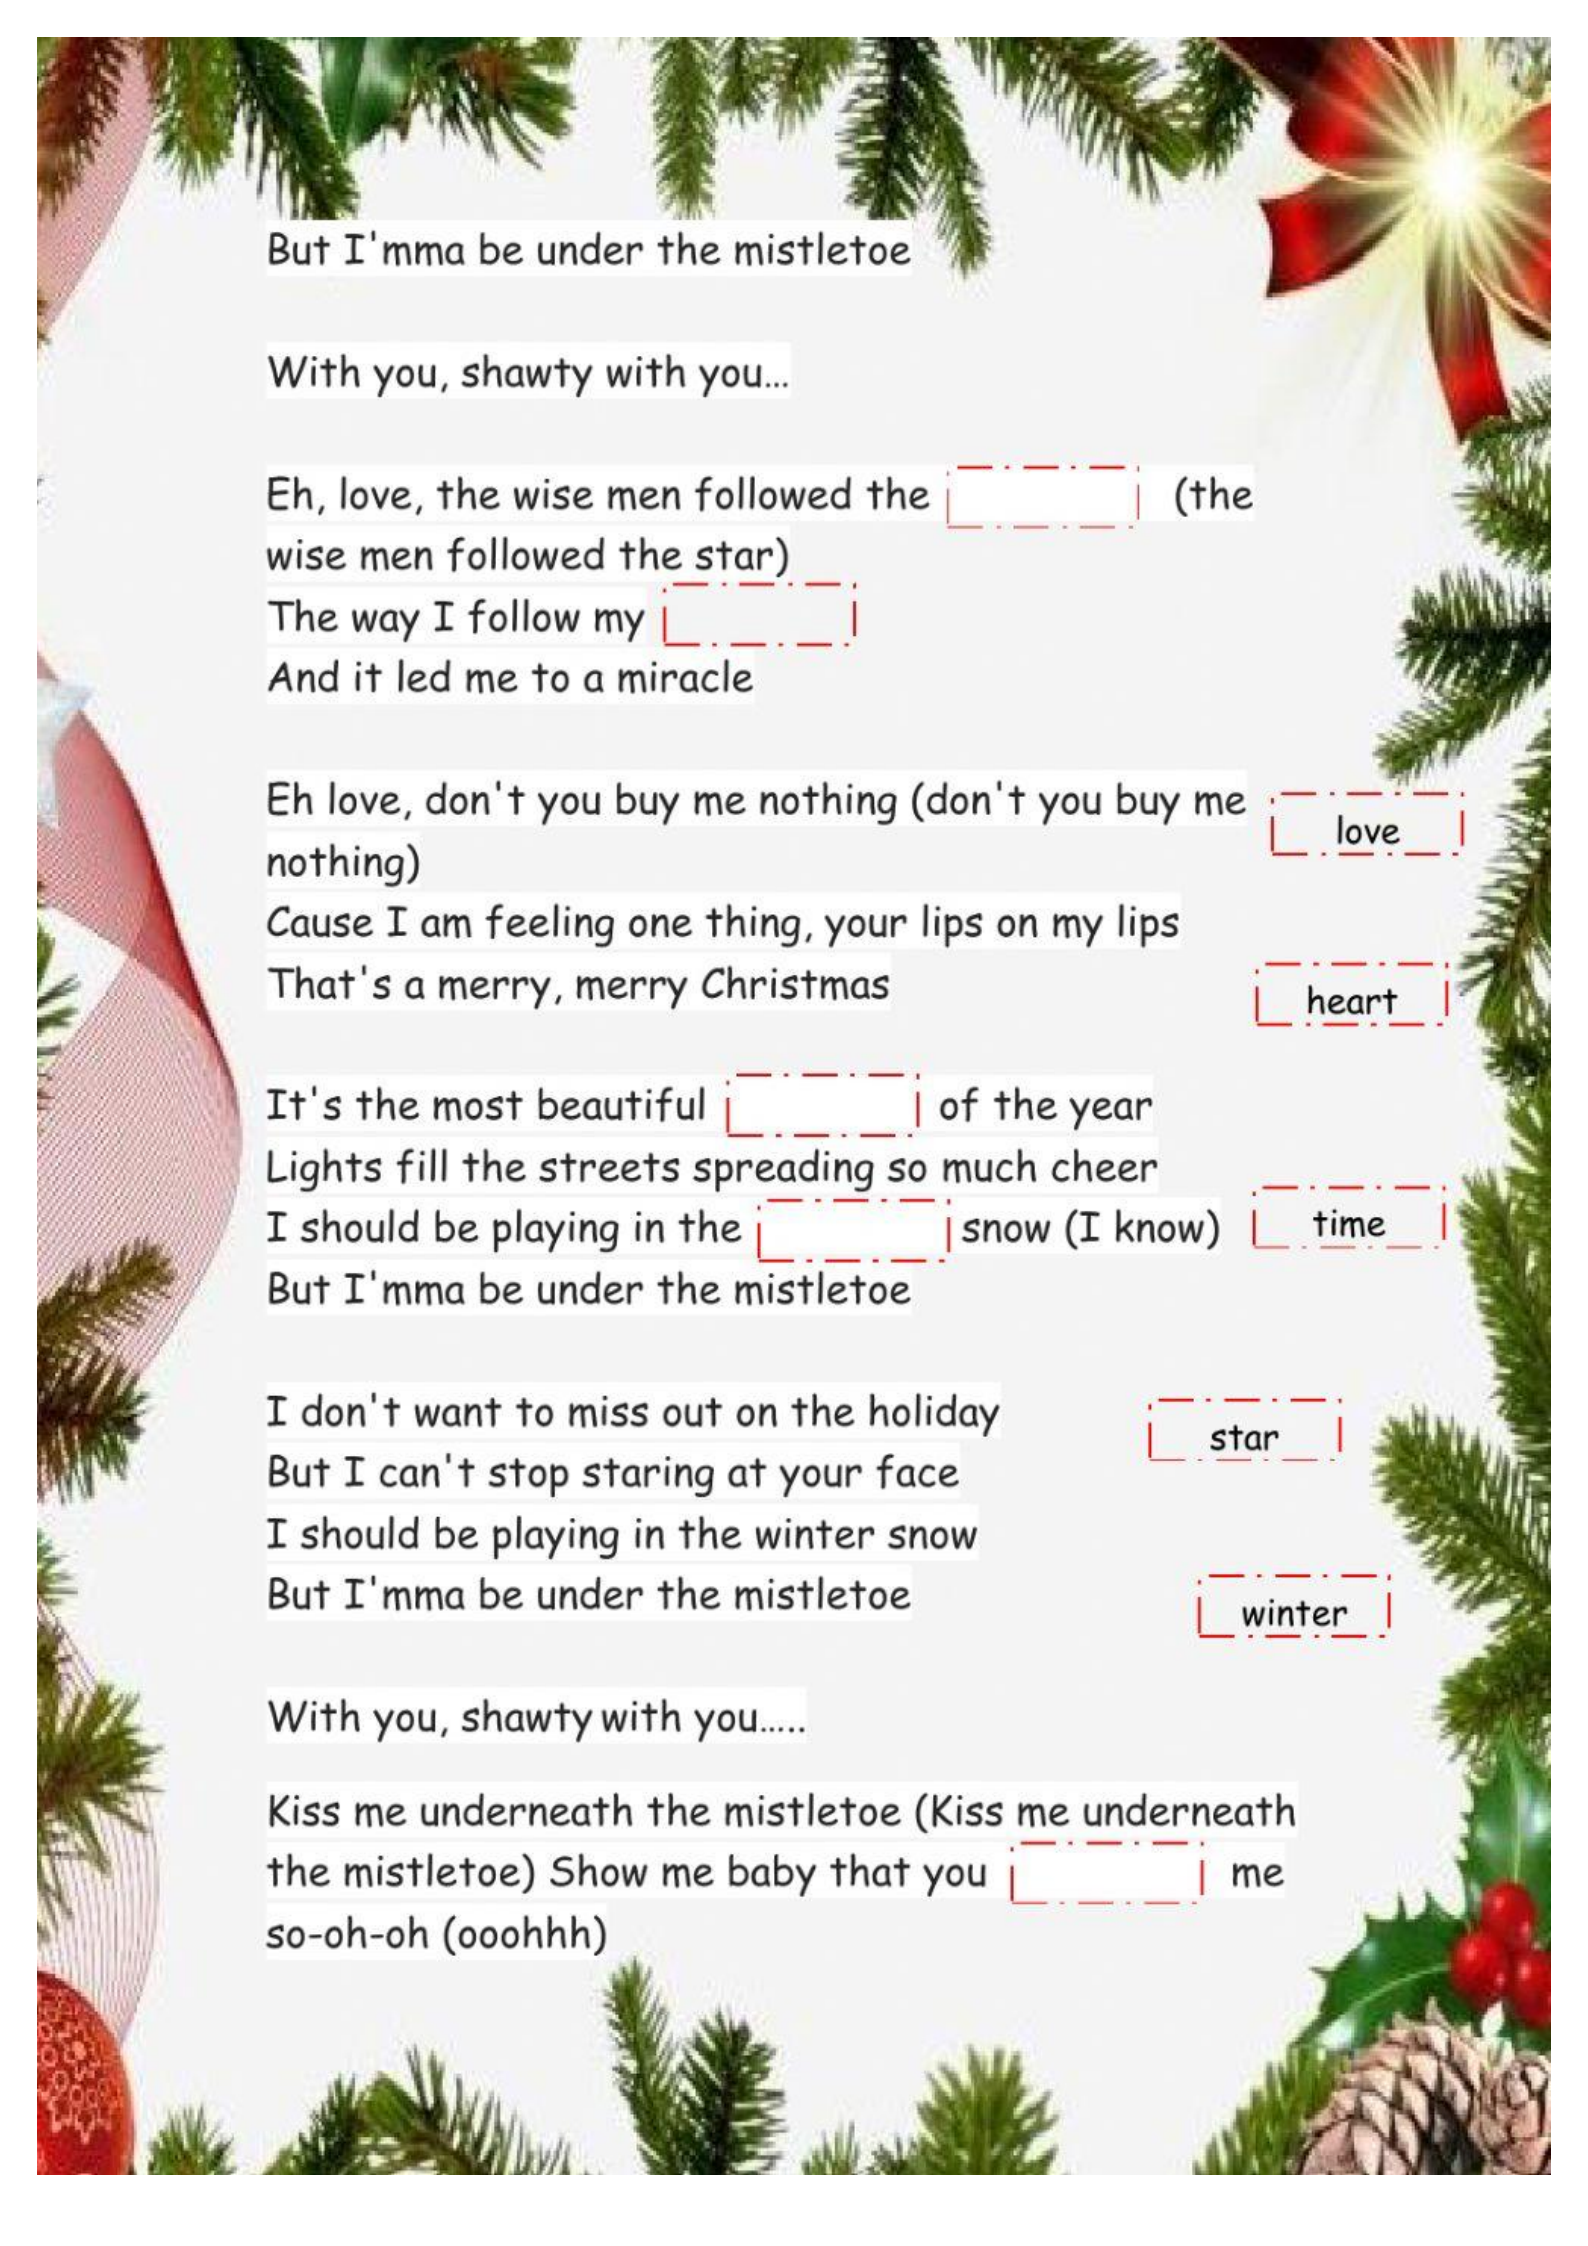

fire

snow

Everyone's gathering around the
Chestnuts roasting like a hot July
I should be chilling with my folks, I
But I'mma be under the mistletoe

Word on the street Santa's coming tonight
Reindeer's flying thought the sky so high
I should be making a list I know

But I'mma be under the mistletoe

With you, shawty with you...

Eh, love, the wise men followed the (the
wise men followed the star)

The way I follow my
And it led me to a miracle

Eh love, don't you buy me nothing (don't you buy me love
nothing)

Cause I am feeling one thing, your lips on my lips
That's a merry, merry Christmas heart

It's the most beautiful of the year
Lights fill the streets spreading so much cheer
I should be playing in the snow (I know) time
But I'mma be under the mistletoe

I don't want to miss out on the holiday star
But I can't stop staring at your face

I should be playing in the winter snow
But I'mma be under the mistletoe winter

With you, shawty with you.....

Kiss me underneath the mistletoe (Kiss me underneath
the mistletoe) Show me baby that you me
so-oh-oh (ooohhh)
