The Rainforest

It is rainy in the rainforest. It rains almost every day. It is warm in the rainforest. People wear shorts and T-shirts. The biggest rainforest is in Brazil. The rainforest has many animals and plants. Most of the animals and plants in the world live in rainforests. The rainforests have very old trees. They are also tall. Animals like monkeys, parrots and snakes live on the trees. People cut the trees for paper, chairs and tables. The

animals lose their homes and we have less plants. These plants give us oxygen and medicine. We need medicine when we are sick.

1. What is the weather like in the rainforest?

2. What do people wear in the rainforest?

3. What animals live in the rainforest?

4. Describe the trees in the rainforest.

5. Why are rainforests important for our world?
