The renovation in our house is over at last! I like the new <sup>1</sup> (zlew) \_\_\_\_\_ in the kitchen - the old one was really small. And the new <sup>2</sup> (kuchenka) \_\_\_\_\_ and <sup>3</sup> (zmywarka) \_\_\_\_\_ are nice, too. But the best new thing is the <sup>4</sup> (wanna) \_\_\_\_\_ in the bathroom - it's huge! There's also a new <sup>5</sup> (pralka) \_\_\_\_\_ with lots of settings.
