ideas late before up advice relaxed thing thought avoid hear

Hi Ann,

Sorry to **1)** you can't sleep well. I have a couple of **2)** that
may help. First, have you **3)** of having a hot drink **4)** going
to bed? You can feel more **5)** that way.

Another **6)** you can do is **7)** using electronic
devices **8)** at night because they wake your brain **9)** .

I hope my **10)** helps. Let me know.

Best wishes,

Rumjana
