### **HOW TO HELP OUR BODY CLOCK**

Do you wake up easily in the morning?

Then you are lucky.

Some people are not so lucky.

They have a hard time getting out of bed.

The way you feel when you wake up depends on your "body clock".

Our body clock is the system in our body that controls when we wake up, when we go to sleep or even when we eat.

Here are some ideas to help your body clock work better so you can have lots of energy during the day.

- Open the windows and let the sunshine in.

The light of the sun tells your body clock that it's time to start the day.

If it's cloudy, turn on your brightest light.
