

Lesson 6 Flow Chart

Subtract Three-Digit Numbers

Read the steps for subtracting three-digit numbers.
Put them in correct order in the flow chart.

Steps for Subtracting

Regroup 1 hundred as 10 tens.

Regroup 1 ten as 10 ones.

Subtract the hundreds.

Subtract the ones.

Subtract the tens.

hundreds	tens	ones
5	11	11
4	2	1
4	7	5
1	4	6

Step 1

Step 2

Step 3

Step 4

Step 5

Teacher Directions: Read the steps in the box. Review or clarify any unfamiliar terms. Have partners work together to write the steps in order on the flow chart. Then have students switch partners and describe the process to another student. Teach, model, and prompt sequence words such as *first*, *then*, *next*, *last*, and *finally*.
