Hi, Tommy

How are you? It's my birthday on Saturday and I'm going to have a party with my friends. I'm going to have my party at the local sports centre. My friends are going to swim in the pool and play volleyball. I can't swim, but I can play volleyball. My friends are going to buy me some presents. My mum is going to make a birthday cake with 13 candles on it, and she's going to buy some snacks. My dad is going to put up some balloons and streamers in the sports centre. My sister Laura is going to bring speakers and an MP3 player.

I know your birthday is in April. What are you going to do? I'm going to send you a birthday card.

Bye, Jenny
