

## Sorting Objects by Size

Sort the cars by size into the correct box.

| <u>Medium</u>                                                                     | <u>Large</u>                                                                       |
|-----------------------------------------------------------------------------------|------------------------------------------------------------------------------------|
|  |  |
|                                                                                   |                                                                                    |
|                                                                                   |                                                                                    |
|                                                                                   |                                                                                    |
|                                                                                   |                                                                                    |
|                                                                                   |                                                                                    |
|                                                                                   |                                                                                    |
|                                                                                   |                                                                                    |
|                                                                                   |                                                                                    |
|                                                                                   |                                                                                    |
