Another year _____

I hope you have _____
The _____ and the _____ one
The _____ and the _____

A very merry Christmas

For _____ and for _____
For _____ and the _____ ones
The road is so _____

For black and for white
For yellow and red ones
Let's stop all the _____

(Chorus repeated)

War is over,
If you want it
War is over
Now...

Over	Fear
Long	Dear
Fight	Strong
Poor	Rich
Just	Old
Near	Fun
Weak	Young

Last Christmas by George Michael (1984)

Last Christmas
I gave you my heart
But the very next day you gave it (up/away)
This year
To save me from (fears/tears)
I'll give it to someone special

(Chorus repeated)

Once (bitten/written) and twice shy
I keep my distance
But you still (meet/catch) my eye
Tell me baby
Do you (recognize/remember) me?
Well it's been a year
It doesn't (stop/surprise) me

Happy Christmas
I (folded/wrapped) it up and sent it
With a note saying "I love you" I meant it!
Now I know what a fool I've been
But if you (kissed/hit) me now
I know you'd (trick/fool) me again

[Chorus]

A crowded room
Friends with (nice/tired) eyes
I'm hiding from you
And your soul of (mine/ice)
My god I thought you were
Someone to (depend/rely) on
Me?
I guess I was a (shoulder/sofa) to cry on

A face on a lover with a fire in his heart
A man under cover but you (tore/threw) me apart
Now I've found a real love you'll never (trick/fool) me again

[Chorus: x2]

Maybe next year I'll give it to someone
I'll give it to someone special.

The Snowman, by Howard Blake (1982)

We're walking in the air
We're floating in the moonlit (sky/ pie)
The people far (below/above) are sleeping as we fly

I'm holding very (tight/ right)
I'm riding in the midnight blue
I'm finding I can fly so high above (with/to) you

On across the world
The villages go by like (dreams/streams)
The rivers and the (hills/bills)
The forests and the (dreams/streams)

Children gaze open mouthed
Taken by surprise
(Nobody/Somebody) down below believes their eyes

We're surfing in the air
We are (swimming/walking) in the frozen sky
We're drifting over (icy/spicy) mountains floating by

Suddenly swooping low
On an ocean (deep/sleep)
Rousing up a mighty monster from its (sleep/deep)

We're walking in the air
we're dancing in the midnight sky
And everyone who sees us (greet/meets) us as we fly

So this is Christmas
And what have you done
Another year over
And a new one just begun
And so this is Christmas
I hope you have fun
The near and the dear one
The old and the young

A very Merry Christmas
And a happy new year
Let's hope it's a good one
Without any fear
And so this is Christmas
For weak and for strong
For rich and the poor ones
The road is so long
And so happy Christmas
For black and for white
For yellow and red one
Let's stop all the fight
