

SERIAZIOAK

Jarraitu hurrengo seriezioak:

A worksheet for practicing addition using a caterpillar-themed number line. The caterpillar has five segments, each with a different colored face and a math problem. The problems are: +2, 2, 4; +3, 3, 6; +4, 4, 8; +5, 5, 10; and +6, 6, 12. The caterpillar is decorated with a yellow and blue dotted line and small yellow flowers.
