DAILY ROUTINE

Read the text about Julia:

Hello! My name is Julia and I live in a farm. Everyday I wake up at 6:30, I get dressed and then I feed the animals. There are hens, ducks , rabbits, a pig, two horses, sheep, a donkey and a dog called Mollie. After that I have a nice breakfast and I put on the school uniform.

At 8 o'clock I take the bus to go to school. Classes start at 8:30 and finish at 3 o'clock. When I get home I have a little snack and play in the garden for a while. After that I do the homework and help with the animals or in the garden. I normally have dinner at 7 pm. At 8.30 I take a shower and go to bed. Living in a farm is fun but it is also hard work. In the evening I am always very tired, but I love it!!
