

Dolly Parton - Working 9 to 5

Tumble outta bed and I stumble to the

Pour myself a of ambition and yawn and stretch and try to come to life

Jump in the and the blood starts pumpin'

Out on the streets, the traffic starts jumpin' with folks like me on the from 9 to 5

Working 9 to 5. What a to make a livin'

Barely gettin' by...It's all takin' and no

They just use your mind and they never you credit

It's enough to drive you if you let it

9 to 5, for service and devotion

You would that I would deserve a fair promotion

Want to move ahead but the won't seem to let me

I sometimes that man is out to get me

They let you just a' watch 'em shatter
 You're just a step on the boss man's ladder but you got dreams he'll never take away
 In the same with a lot of your friends waitin' for the day your ship'll come in
 And the tide's gonna turn and it's all gonna roll you away

**Working 9 to 5. What a way to make a livin'
 Barely gettin' by...It's all takin' and no givin'
 They just use your mind and they never give you credit
 It's enough to drive you crazy if you let it**

**9 to 5, yeah, yes they got you where they want you
 There's a better life and you think about it don't you
 It's a rich man's game - no matter what they call it
 And you spend your life putting money in his wallet**
