

Ship Familiarisation

Write the corresponding number next to each word / phrase and then join with the definition.

☐	aft	towards the stern, at/near the stern
☐	ahead	right rear part of the ship
☐	astern	raised part at the bow used as a shelter for the anchor, winches etc
☐	bow	in front of the ship
☐	bridge	on the left side
☐	forecastle	towards the bow, at/near the bow
☐	forward	the rear of a vessel
☐	port	the left rear part of a ship
☐	port bow	behind the ship
☐	port quarter	small powerful special duty vessel that can tow ships
☐	starboard	left front part of a ship
☐	starboard bow	on the right side
☐	starboard quarter	part of the superstructure where the navigation takes place
☐	stern	the front part of a vessel
☐	tug	the right front part of a ship

*NOTE: where you see 'right' or 'left' it is understood 'right/left' when you are standing at the stern looking forward
