

Laughter is the Best-est Medicine

Instructions: Watch and listen to the song. Fill in the missing words.

Ha ha, hee hee, ho ho, heh heh|

After years of Doctor Fozzie-ing

There's one thing that I've learned

And now I'd like to share with you my evidence

If a friend is feeling out of sorts

And you're a bit concerned

Well, laughter is the best-est medicine

Just one dose of funny jokes

Can flip a frown right over to a smile

Sure, I'm not really a doctor

But there's one thing that I know

Laughter is the best-est medicine

Ha ha, hee hee, ho ho, uh-hurh?

Yes, a little chuckle is the universal pick me up

And it's not just for froggies and amphibians

So if your pal is down

And needs a little cheering up

Well, laughter is the best-est

Laughter is the best-est

Laughter is the best-est medicine
