

IT'S WINTER NOW!

Look! It is snowing!

In **December** families get together to spend time around the Christmas tree.

The new year starts in **January**. The weather can be really cold and snowy!

February is the shortest month of all. It is special in many ways. This is the month when people celebrate Valentine's Day and give love and hugs to the ones they love and care about!

Match the words and the pictures and then circle the winter words.
