

DO NOT FORGET ABOUT ECOLOGY

1. Listen to the conversation between Lovro and his sister Dora.

2. Match the words on the left that Lovro mentions with the words on the right.

waste	the heating
keep	the tap
save	plastic bags home
use	the light on
leave	the TV on
save	a bath
turn up	our planet
bring	in the bottle bank
turn off	a bus
put the bottles	water
take	energy

3. Write the correct endings.

1. Dora doesn't turn off the tap while brushing
2. She leaves
3. She never puts bottles
4. She always brings a lot of
5. She always takes
6. She always has
7. She always keeps
8. She turns up

4. Listen to the conversation again and place the activities mentioned by Lovro in the right order.

turn up the heating

put the bottle in the bottle bank

leave the light on

turn off the tap

use a bath

waste water

save energy

save our planet

keep the TV on
