In this question, you will hear the trailer for a movie.

You are asked to link the instruments with controls, effects or processes.

Listen to the full excerpt with controls, effects and processes applied.

You will now hear each instrument separately. Complete the table below using the following list of controls, effects and processes.

- Delay
- Reverb
- Multi-effects processor
- EQ
- Panning

Each control, effect or process is used only once.

You now have **one minute** to read through the question.

Now listen carefully to the following and complete the table as you listen.

Drum loop (dry then wet)
