

You took my hand
You showed me how
You promised me you'd be around
That's right
I took your words and I believed
In everything you said to me
That's right

If someone said three years from now
You'd be long gone
I'd stand up and punch them out
Cause they're all wrong
I know better
Cause you said forever, and ever
Who knew

Remember when we were such fools
And so convinced and just too cool
Oh no, no no
I wish I could touch you again
I wish I could still call you friend
I'd give anything

When someone said count your blessings now
'fore they're long gone
I guess I just didn't know how
I was all wrong
They knew better
Still you said forever, and ever
Who knew

I'll keep you locked in my head
Until we meet again
Until we, until we meet again
And I won't forget you my friend
What happened

If someone said three years from now
You'd be long gone
I'd stand up and punch them out
Cause they're all wrong and
That last kiss I'll cherish
Until we meet again
And time makes it harder
I wish I could remember
But I keep your memory
You visit me in my sleep
My darling
Who knew

Find in the lyrics the past simple form of the following verbs.

say

believe

be

take

can

know

show

promise

Write the past simple form of the following verbs next to their infinite form.

say _____
believe _____
