

WRITING

Write a review of a film that you have seen recently. Include things that you liked and things that you didn't like. Make sure you explain why.

Things to include: plot of the film (but not spoilers!), what kind of film it was, what actors were in the film, character profiles, what you thought about the ending, special effects, costumes, if you recommend it or not.

Remember to use the present simple to talk about the plot, and use adjectives to make your writing interesting.

(4 paragraphs ; introduction, main part (2) and conclusion).
