

New years resolutions

Read about Kasia and Kamil's new years resolutions and answer the questions below.

Kasia – 'I love making new years resolutions and I made some this year too. Last year I spent too much time looking at my phone and watching TikTok, so I am going to stop spending time on my phone so much, and read more books instead. I am going to read Harry Potter in English this year, I read it in Polish last year and I really liked it.

Also last year I was really lazy, and I watched too much YouTube, so this year I am going to start a new sport, for example tennis. I think it will be fun. I am going to ride my bike more often too, probably two times a week.'

Kamil – 'Every year I make new years resolutions, and I never complete them. I always forget or stop doing them after a month. This year I want to try to do something I will like, because usually I say 'I will stop eating McDonalds.' and it's really hard.

I really like to go to art galleries, so this year I am going to learn how to draw and paint. I will go to an art class once a week. I am also going to eat 5 pieces of fruit or vegetables every day, and I will still eat McDonalds sometimes!'
