

Food and drink

I poured myself a glass of orange juice / coffee.

To make an omelette, beat the potatoes / eggs together.

Chop the vegetables / salad very small.

You can't eat a(n) banana / apple without peeling it first!

Grate the cheese / meat before putting it on the pizza.

You'll need to melt the butter / cream.

Mix all the ingredients for the milk / cake together.

Slice the lemon / flour very thinly.

Stir the bread / sauce regularly while it cooks.
