

DESCRIPTION OF SAO TOME DISCOVERY TOUR

This São Tomé discovery tour takes you a country that few people have heard about. São Tomé and Príncipe - a two-island African nation moored off the coast of Gabon – is quintessential tropical paradise, made all theappealing by rich culture, thick forest, friendly locals and a smattering of crumbling colonial buildings. After time to acclimatise in São Tomé town, you'll head up into the mountains to Lagoa Amelia to learn more..... the country's coffee production. You'll walk through secondary rainforest and visit a coffee plantation, from the crop is exported all over the world. Next, you'll travel the coast, visiting old colonial mansions, tiny seafront towns and stunning stretches near-empty beaches. You'll also explore interior, touring former plantations estates and learning about history of this beautiful island.
