

1- Listen to the song Afterglow by Ed Sheeran and click on the extra words.

[Verse 1]

Stop the clocks now, it's amazing
You should see the way the light
dances off your hair
A million colours of light hazel,
golden, and red
Saturday morning is fading
The sun's reflected by the coffee in
your hand
My eyes are caught in your gaze all
over here again

[Pre-Chorus]

We were love-drunk, waiting on a new miracle
Tryna find ourselves in the winter snow
So alone in love like the whole world had disappeared
Oh, I won't be silent and I won't let go
I will hold on tighter 'til the afterglow

And we'll burn so bright 'til the darkness softly clears away

[Chorus]

Oh, I will hold on to the afterglow Oh, I will hold on to the afterglow

[Verse 2]

The weather outside's changing fast
The leaves are buried under six
inches of white
The radio is playing Iron & Wine
This is a new dimension
This is a hard level where we're
losing track of time
I'm holding nothing against it, except
you and I

Repeat [Pre-Chorus]
Repeat [Chorus]
