Hello, Bill!

Winter came to Ukraine yesterday!

I looked through the window in the morning.

I saw a beautiful picture outdoors. It was snowy.

The ground was white, the trees were white.

Even windows had beautiful snowflakes outside.

My friends and I made a funny snowman in front of the house.

We played snowballs after school, too.

We are going to sledge and ski in the park next weekend.

What is the weather like in London? Is there much snow?

Best wishes to you!
