

LISTEN TO THE SONG

I _____ a dream we _____ away

_____ this city for a day

You _____ me southwards on a plane

And _____ me Spain or somewhere

But in reality you're

Not so keen to show me anything

And I _____ you _____ me

Hey show some love

You ain't so tough

Come fill my little world

Right up

Right up

Someday you're going to realise

(I want you to) To fill my little world

Right up

Right up

Right up

So what you gonna to do with all this stuff

Piling up, filling up, taking up. (My little ...)

You misunderstand me

All I _____ was some evidence

That you really like me. (You really liked me)

Hey show some love

You ain't so tough

Come fill my little world

Right up

Right up

Someday you're going to realise

(I want you) To fill my little world

Right up

Right up

Right up

Maybe it's all too much

How come we're so messed up

Maybe I'm not enough

Maybe I'm just too much

Hey show some love

You ain't so tough

Come fill my little world

Right up...

Oooh ooo

Yeeahh.

Hey show some love

You ain't so tough

Come fill my little world

Right up

Right up

Someday you're going to realise

To fill my little world

Right up

Right up

Hey show some love

You ain't so tough

Come fill my little world

Right up

Right up

Someday you're going to realise

That I'm passing you by, so fill your little world

Right up

Right up

Right up

Come on and show

Come on and show

Come on and show
