My school

I go to New Valley School in Birmingham. There are about 800 students.

My school has got a fantastic ICT suite. It's got a lot of computers and some new laptops. We go there for ICT and we sometimes do other subjects like maths, geography and English, too.

The sports hall is very big. We use it for sports such as basketball and tennis. We also go to the sports hall for after-school clubs, for example, dance and karate. I always go to drama club there.
