

COMPLETE WITH THE CORRECT WH QUESTION.

As long as you love-
Backstreet Boys

Although loneliness has
always been a friend of
mine
I'm leaving my life in your
hands
People say I'm crazy and
that I am blind
risking it all in a glance

And _____ you got me blind
is still a mystery
I can't get you out of my
head
don't care _____ is
written in your history
As long as you're here with
me

I don't care _____ you
are

_____ you're from
_____ you did
As long as you love me

_____ you are
_____ you're from
Don't care _____ you did
As long as you love me

Every little thing that you
have said and done
Feels like it's deep within
me
doesn't really matter if
you're on the run
It seems like we're meant
to be

(Repeat Chorus)

I've tried to hide it so
that no one knows
But I guess it shows
_____ you look into my
eyes

_____ you did and
_____ you're coming from

(I don't care)
As long as you love me,
baby
