Mum was tired, so she stayed at the hotel. Dad and I were hungry, so we found a restaurant and tried the local food. I don't usually like fish, but the fish at this restaurant was delicious! Dad had a salad with cheese and tomatoes and lots of bread.

The next day we went on a guided tour of Athens. Then we met some Greek friends and explored the city together. In the evening we had dinner, listened to music and danced.

On the third day, we went on a boat trip to a small island near Athens. I was looking at the sea when I saw dolphins! They were swimming near the boat and jumping out of the water. I loved the island. There aren't any cars there, so people walk everywhere or ride donkeys!
