"Set Fire To The Rain"

I let it fall, my heart
And as it 1....., you rose to claim it
It 2..... dark, and I was over
Until you 3..... my 4..... and
you 5..... me

My 6....., they were strong
But my 7..... were far too weak.
To stand in your 8.....
Without falling to your 9.....

But there's a side to you
That I never knew, never 10.....
All the things you'd say
They 11..... never true, never true
And the games you'd play
You would always win, always win

But I set fire to the rain
12..... it pour as I 13.....
your 14.....

Well, it burned while I 15
'Cause I heard it screaming out
your name, your name!

When I lay with you
I 16..... stay there
Close my 17.....

Feel you here forever
You and me together
Nothing is better

(CHORUS REPEATED)

I set fire to the rain
And I threw us into the flames
When it fell, something 18.....
'Cause I knew that that was the last time,
the last time!
Sometimes I 19..... up by the door
That heart you caught must be waiting for you
Even now, when we're already over
I can't help myself from looking for you
