

## ECOLOGIST

### A) Click and choose the right answer.

I'm an ecologist. Ecologists can work in a ..... but also go out to the area in which a plant ..... or an animal lives and study them. I may do some volunteer work, too. Next summer I'm travelling to the Amazon to ..... certain types of plants there.

Working as part of a team and independently are good ..... for someone who wants to be an ecologist. Good ..... skills are also important. Useful ..... are biology, mathematics, and computer science.
