

## Daily routine - exercise

### I. Read the text and underline the times - quarter past seven

#### Michael's Day

I usually get up at a quarter past seven - that's seven fifteen in the morning. I have breakfast at eight o'clock and then take the bus to work at half past eight. I usually arrive at quarter to nine. Sometimes, the bus is late and I arrive at about nine. My mornings are quite busy but I have a coffee break at about quarter to eleven if I can. I work until noon and then I have lunch. In the afternoon, I usually have another break at three fifteen. I finish work at five and I usually get home at quarter to six in the evening. At night, I usually go to bed at eleven o'clock.
