To: Monica

From: Abi

Dear Monica,

I'm writing to tell you about my new life. I can't believe I've lived here for 2 weeks now – it still feels like I moved out of our lovely little town only yesterday. I don't like the big city I'm in now because it's noisy and everybody is in a non-stop rush. It takes me 45 minutes to get to my school, so I have less time for myself, too.

But there are also some good things about living here. I've actually made a few friends. Obviously, they aren't as close to me as you are but they're cool people. There's a shopping centre with a cinema 10 minutes from where I live, so we have somewhere to spend time together.

That's all for now. Please write to me to say how life is in our old school.

Love, Abi
