

Our senses

We have **five senses**: sight, hearing, smell, taste and touch.
We use different parts of our body for each of the five senses.

1.

Think.

Which senses are they using? Match.

sight

hearing

smell

taste

touch

2. Complete the sentences.

nose

hands

ears

tongue

eyes

I use my _____ to read a book.

I use my _____ to listen to music.

I use my _____ to smell a flower.

I use my _____ to taste an orange.

I use my _____ to touch a dog.

3. Colour the senses you use.
