## Keeping it real! ♫

On my computer I can travel through time.
I can [1] ... to the Internet, to [2] ... things online.
I can [3] ... Roman websites to see all their stuff.
I can visit ancient cities – but then I log off ...

*Because I'm keep, keep, keep, keep, keeping it real,*
*Yeah I'm keep, keep, keep, keep, keeping it real!*
*Because I'm keep, keep, keep, keep, keeping it real,*
*Yeah I'm keep, keep, keep, keep, keeping it real!*

It's fun to see the past, but I'm living life today!
I looked up Roman [4] ... to make them out of clay.
I made a Roman [5] ... to match my new shoes.
I wrote a real [6] ... to tell you all my news!

*Chorus*
