Vocabulary

Root words / Base Words

Say each word then write the **root word** in the box.

Example:

Word : **boxes**

Root word: **box**

Words	Root word
1) watches	
2) tomatoes	
3) fans	
4) classes	
5) foxes	
6) cars	

Part two

Put the <u>two root words</u> on the lines that make **the new word**.

Example:

Root word + Root word = New word

tooth +

brush = toothbrush
