

Plural Nouns (ves)

Remember: (1) To make most singular nouns that end in 'f' or 'fe' plural, you must change the 'f' or 'fe' to 'v' and add 'es'.

(2) If a singular noun ends in 'ff', just add 's' to make it plural.

(3) There are some words that do not follow these rules.

Write the plural noun for each word.

Singular

Plural
