Look at the pictures and complete the descriptions about this family's home. Use the correct possessive adjective or possessive pronoun.

Hello! I'm Sharon and this is \_\_\_\_\_<sup>1</sup> family. We are the Wilsons and we live together. This beautiful spacious home is \_\_\_\_\_<sup>2</sup>. Every family has a routine and they have a place for \_\_\_\_\_<sup>3</sup> things. We have a place for \_\_\_\_\_<sup>4</sup> too.

My brother is very neat and organized. I'm totally different, I'm very messy. He has a big room where he keeps \_\_\_\_\_<sup>5</sup> things. He keeps all of \_\_\_\_\_<sup>6</sup> clothes in the closet. I keep \_\_\_\_\_<sup>7</sup> in my closet and on a chair. My brother and I love surfing. I don't have a surfboard, but my brother keeps \_\_\_\_\_<sup>8</sup> in \_\_\_\_\_<sup>9</sup> bedroom.

My mom likes to look good all the time. She spends 30 minutes doing \_\_\_\_\_<sup>10</sup> hair every morning. She always keeps \_\_\_\_\_<sup>11</sup> comb, brush and hairdryer in the bathroom. I like to look good, too. But I don't have a hairdryer, so I use \_\_\_\_\_<sup>12</sup>.

Families usually take family pictures. Some people display \_\_\_\_\_<sup>13</sup> pictures on the wall, but we keep \_\_\_\_\_<sup>14</sup> on a shelf in the living room. When relatives come to visit, we have fun in the living room. My uncle and my father enjoy playing the guitar together. So my father always keeps \_\_\_\_\_<sup>15</sup> next to the fireplace. My cousins love playing video games. My brother and I do too. My cousins have a video game console and TV at home, but they prefer \_\_\_\_\_<sup>16</sup> TV because \_\_\_\_\_<sup>17</sup> screen is bigger. So they come over every weekend.

We have a 2-car garage, my parents keep \_\_\_\_\_<sup>18</sup> cars in there. When our relatives come to visit, they have to leave \_\_\_\_\_<sup>19</sup> on the driveway. So this is all about my family and our house. How about \_\_\_\_\_<sup>20</sup>?
