

# Things I love about Britain

Student Name: \_\_\_\_\_

Date: \_\_\_\_\_

Britain isn't a good \_\_\_\_\_ for cyclist. But for \_\_\_\_\_ it is wonderful. When you walk on a zebra \_\_\_\_\_, all the drivers stop.

British banks are great – you do everything \_\_\_\_\_, and you don't pay when you take money out of an \_\_\_\_\_. And if you want to \_\_\_\_\_ banks, the banks do all the work, not you.

The British are very \_\_\_\_\_ when they drive. They don't \_\_\_\_\_, and they are patient with other drivers. They always say \_\_\_\_\_ you when you let them pass.

Chemists in the UK \_\_\_\_\_ wonderful, friendly shops and completely \_\_\_\_\_ from the US pharmacies.

Boots sells everything you \_\_\_\_\_, not just medicine, and \_\_\_\_\_ shop assistants give you good advice.

Britain is one of the only places in \_\_\_\_\_ world where people don't have \_\_\_\_\_ cards. In the US you need ID when you \_\_\_\_\_ a drink, go to a club, use \_\_\_\_\_ credit card, or \_\_\_\_\_ an intercity train.

I love British \_\_\_\_\_! A good summer day in Britain is \_\_\_\_\_ and warm, but not very hot.

Starbucks \_\_\_\_\_ British, of course, but I prefer the Starbucks \_\_\_\_\_ Britain. They are nice, \_\_\_\_\_ places where people read the newspaper and drink good \_\_\_\_\_. And the waiters \_\_\_\_\_ write your name on the cups – I feel stupid in America when the waiter \_\_\_\_\_ "Mark, your tall cappuccino with extra chocolate!"
