

The IT Crowd

Season 3 Episode 5 - Friendface

Task 1: Complete with ONE word per gap, then look at the scene and check!

What is Friendface? Friendface is a great new site 1. _____ meeting people. How does it work? Friendface works along the same principle 2. _____ a cold or a terrible plague, but it's 3. _____ disgusting germs that Friendface spreads, it's friendship. Each Friendface page is like a petri dish filled 4. _____ friendship germs. When you stick your face into the dish, you may come away with millions 5. _____ other people attached to your face! That's right, it's basically a diseased face of friendship!

Just sign 6. _____ with Friendface, by giving us all of 7. _____ personal information, and we'll provide a web page where you can meet new friends, catch up with old ones, 8. _____ maybe find that special someone. Don't think 9. _____ germs now, that analogy's over. Now it's just love and companionship, and everything's fine. We own everything you put 10. _____ Friendface, it says so in the terms and agreements, but don't worry about that, we won't use it to do anything bad, we promise. Just think about love and companionship and everything's fine. Friendface. Friendface. FriendFace.

Task 2: Look at the scene and then decide if the statements are true or false

1. Jen has signed up with Friendface. _____
2. Jen has already got 13 friends. _____
3. Jen has an annoying bleep every time she gets a message. _____
4. Jen's Friendface messages piled up. _____
5. A woman Roy went out with once wants to meet him again. _____
6. Moss' dad is on Friendface. _____
