**Pam:** <sup>3</sup> **Should / Could / Can** you take them another time?

**Kate:** Yes, but I <sup>4</sup> **must / should / can** return to school at the end of July to take them.

**Pam:** Oh, that's really bad luck, but you <sup>5</sup> **couldn't / can't / shouldn't** miss the party.

**Kate:** No, of course not. I want to say goodbye to all my friends.

**Pam:** <sup>6</sup> **Should / Must / Can** you still go on holiday with your family in July?

**Kate:** No, I <sup>7</sup> **can / must / could** stay here and study. My mother went to the travel agent to change the dates.

**Pam:** <sup>8</sup> **Should / Must / Could** she change them?

**Kate:** Yes, we were lucky. Our holiday's in August instead.
