Will My Dreams Come True?

Will my dreams come true this New Year?
Will that rosy dawn arrive?
Will I find the foot of the rainbow,
And the things for which I strive?
Will I follow a road that's greener?
Will the misty hills grow clear
Beyond the far horizon?
Will my dreams come true this year?

I wish I could read a crystal
In which my fate I would see!
I wish I could find an omen
That would show my future to me!
I wish I could learn what fortune
So darkly plans to do.
I wish some genie would tell me –
Will all my dreams come true?
