

KIDS - ONE REPUBLIC

Days when
We'd fight, we'd fight 'til I would give
in
Yeah, disasters
We were reaching, reaching for the
rafters

And on most of the days we were
searching for ways
To get up and get out of the town
that we were raised, yeah
'Cause we were done
I, we were sleeping in,
we were searching for OZ
We were burning cigars with white
plastics tips 'til we saw the sun
And we said things like

I refuse to look back thinking days
were better
Just because they're days
I don't know what's 'round the corner
Way I feel right now I swear we'll
never

Back when we were kids
Swore we would never die
You and me kids
Swear that we'll never die

Lights down
And we and we're drivin' just to
get out
Yeah, perfect disasters
Yeah, we were swinging, swinging from
the rafters

Hey, we were in cars, we were
looking for ours
We were naming the after
people we knew 'til we had to go
And we were saying like

I refuse to look back thinking days
were
Just because they're younger days
I don't know what's 'round the
Way I feel right now I swear we'll
never change
Back when we were kids
Swore we would die
You and me were kids
Swear that we'll never die

when we kept dancing
Changing all our plans and
Making every day a
Feel the years start burning
lights they're turning
Something 'bout this feels the same

Back when we were kids
Swore we would never die
You and me were kids
Swear that we'll never die

I refuse to look back thinking days
were better
Just because they're younger days
I don't know what's 'round the corner
Way I feel right now I swear we'll
never change

You and me were kids
