CHOOSE

Who's gonna be the first one to the fight?
Who's gonna be the first one to fall at night?
Who's gonna be the last one to away?
Who's gonna be the last one to forget this?

We keep taking turns
..... we ever learn?

ORDER

Hold all our secrets
And I don't know why
It's harder to reach you
Spaces between us
Leaving us speechless
Keep getting deeper
Even though I try
Oh spaces between us
Who's gonna be the first to say goodbye?
