**Task3: Read Saeed's reply and answer the questions.**

Hey Gordon,

Yes, I can give you some advice.

I think you should stay at a hotel on Yas Island. There are nice hotels there and it's close to the airport.

I think you should visit Sheikh Zayed Grand Mosque, Emirates Palace, and Ferrari World. They are my favourite places to see.

You don't need to bring anything special for your trip, but maybe you should bring a hat for the sun. It's really hot here! You definitely shouldn't bring any winter clothes!

Talk to you later,

Saeed
